Hi, I'm Joey!

I'm a versatile creative with an incredibly dynamic skill set spanning film, photo, design, & marketing. I'm an effective brand strategist who also understands the creative necessary to back up that strategy and. I craft brands that shine and I'd love to be a part of your team!

I'm a storyteller first and foremost. Whether I'm working to grow an audience across social media platforms, planning unique marketing strategies, generating bespoke content, or designing a brand from the ground up, I'm telling a story. The work that I do ensures the way I tell that story is effective, inspiring, and hooks audiences. I have a Bachelor of Fine Arts in Filmmaking from Ringling College of Art & Design and close to a decade of working experience in film, photo, design, and marketing and I bring an immense amount of value to any project or team I'm a part of.

I'm actively looking for work and willing to relocate so please don't hesitate to get in touch with me if you have any questions, comments, thoughts, or if you feel we might be a good fit. Thank you again for taking the time to check me out and I truly do look forward to hearing from you soon!

*Warmest Regards,
Joseph Correa*
